

## Introduction

The Singapore Booksellers And Stationers Association was established in 1947, gathering all booksellers and stationers in Singapore to raise the level of culture in society and also to take advantage of the development of the global economy in the 21<sup>st</sup> century.

The Singapore Booksellers And Stationers Association is Vice-President of Asia-Pacific Stationery Alliance (APSA). We organise overseas business missions and participate in local and overseas exhibitions annually. This serves to develop the market and expand professional communication and cooperation among booksellers and stationers in the world.

### Mission:

1. To promote mutual understanding and friendship among members.
2. To assist and be in harmony with the commercial and economic development of Singapore and the industry in the world.
3. To promote culture and education in Singapore and the world.
